NOT A PERMIT

**SPECIAL FILMING CONDITIONS**
**RUBIO STREET**

*The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.*

Rubio Street is in a community of single family homes located in the northeast corner of Altadena. Rubio Street between Holliston Avenue and Maiden Lane has become a popular area for location filming and the following Special Filming Conditions have been established to help mitigate the concerns of local residents.

- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** Permit requests must be submitted to FilmL.A. at least three (3) days in advance.
- **Cast and crew may not park on area streets.** Off-site parking must be arranged by the production company and cast/crew must be shuttled to and from the location. Shuttle vans and all production vehicles must observe local speed limits.
- **Production companies may not arrive in the area prior to 7:00 a.m. and must depart no later than 10:00 p.m.** unless affected residents (generally those within 300' of the filming activities or equipment parking) are surveyed to identify neighborhood concerns and approval is obtained from FilmL.A. The approved times must be indicated on the permit.
- **No weekend or holiday filming unless approved by FilmL.A.**
- **Parking of production equipment is limited to one side of the street.** Film company vehicles shall not interfere with gardeners' activities, trash pick up, safe use of streets or access to resident driveways, unless approved by FilmL.A.
- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.
- **Production companies are required to have at least one (1) California Highway Patrol officer (CHP) or one (1) Los Angeles County Sheriff to ensure safe traffic flow.**
- **Generators should be placed as far as possible from nearby residents.**
